

## M'GUIRE TALKS FROM EXPERIENCE

KNOWS New Mexico and Missouri Will Go G. O. P., for He's Been There.

## HUGHES, THAT'S ALL

Believes Bert Chandler Will Sweep Through His District Also.

McGuire, who just returned yesterday from the state of New Mexico, where he has been speaking in the interest of Mr. Hughes and the Republican party, says New Mexico will cast her vote for Mr. Hughes and he will set the electoral vote of that state. Mr. McGuire has also campaigned the state of Missouri and says that Mr. Hughes will get the vote of that state. He is very enthusiastic for Bert Chandler and when interrogated about his chances said:

"There are a hundred reasons why Chandler should win and no reason why he should not win. In the first place every Democrat in the United States who is posted knows that the next group of representatives will be Republicans, and Mr. Davenport will be entirely lost and positively unable to do his district any good. Everybody who is posted believes that Mr. Hughes' chances to be president are far better than those of Wilson, and we have more than an even break to gain the Senate. If Bert Chandler is elected he will be in sympathy with the president and the congress and, with his well-known good judgment and his capacity to do things, he would make a splendid representative, and the people of the district could go on about their business knowing that all their interests and the rest of the rest of the district and the state would be taken care of."

**Chandler a Success.**

"Chandler has been a splendid success as a young man in every detail. He is clean and able. Does not profess to be an orator, but oratory is the last thing these days that a person needs in congress; as our best orators these seldom have occasion to avail themselves of that qualification while there. What congress needs is good business judgment and men who will attend to the business of their district and their state, and Bert Chandler is that kind of a man. I have been over the district some and will be over it more, and from the information I have there is absolutely no doubt about his election by a good decisive majority."

## REPUBLICANS WILL RALLY THIS WEEK

Dawson, West Tulsa and Turley to Be Visited by Candidates.

Harry H. Rogers, Republican candidate for the legislature, will speak at Dawson this evening at a big rally and will be accompanied by several of the candidates on the county ticket. This will be Mr. Rogers' first appearance in Dawson during the campaign and a large turnout is expected.

West Tulsa will be the scene of a Republican rally Friday evening, November 3, when candidates for all county offices will make short speeches. This will be the first rally to be held by the Republicans in West Tulsa during the campaign and the Republicans plan on making a Garrison finish.

For some time headquarters have been trying to stage a rally in the little city across the river and the plan is to have it this evening.

The registration shows that West Tulsa is lining up strong with the Republicans and considerable strength is expected by party leaders towards putting the entire county ticket over in the forthcoming election.

Friday night Glenn Condon, the other candidate for representative, will speak at a big Republican meeting to be held at Turley.

## LOYD MUST PAY TWO NOTES

Clarence Loyd Fails to Prove Against Raldo Morley, Who Was Suing.

Failure to prove his claim of fraud lost Clarence Loyd the suit brought against him by Raldo A. Morley for payment of two notes amounting to \$1,525. One of the notes was for \$725, but Loyd claimed that he only received a \$250 loan for it. The other note for \$800 Loyd declared had been paid.

The jury held that these facts were not established and ordered that Loyd must pay the notes with interest and 10 per cent of the face value of the notes for the plaintiff's attorney fees.
